Explanations

1. Find the word which is out of the logic list:
✔ **C) rare**
Extreme, **excessive** and **exorbitant** all mean 'too much' or 'far beyond the normal level', e.g. **exorbitant prices**. **Rare** means 'not common, not happening often', so it does not belong.

2. Find the word which is out of the logic list:
✔ **C) clap**
Chant, **yell** and **shout** are all ways of using your voice loudly. To **clap** is to hit your hands together to make a noise, so it is not done with the voice.

3. Find the word which is out of the logic list:
✔ **A) settlement**
Combat, **war** and **battle** all mean fighting between armies or groups. A **settlement** is an agreement that ends a quarrel or conflict (it can also mean a small village), so it is the opposite idea.

4. Find the word which is out of the logic list:
✔ **C) gap**
Outcome, **consequence** and **result** all mean something that happens because of an action or event. A **gap** is a space or opening between two things, e.g. **a gap in the fence**.

5. Find the word which is out of the logic list:
✔ **D) split**
Hurt, **injure** and **damage** all mean to cause harm to a person or thing. To **split** means to divide or break something into parts, e.g. **split the bill**, so it does not mean 'harm'.

6. Find the word which is out of the logic list:
✔ **A) placard**
A **brochure**, a **leaflet** and a **catalogue** are printed papers or booklets that give information about products or services. A **placard** is a large sign carried or put up in public, e.g. at a protest.

7. Find the word which is out of the logic list:
✔ **D) enlighten**
Shock, **bewilder** and **astonish** all mean to surprise or confuse someone greatly. To **enlighten** means to give someone knowledge or help them understand, so it has a different meaning.

8. Find the word which is out of the logic list:
✔ **C) squat**
Tremble, **quake** and **quiver** all mean to shake slightly, often from fear or cold. To **squat** means to sit on your heels with your knees bent, so it is not a kind of shaking.

9. Find the word which is out of the logic list:
✔ **B) crouch**
Face, **come across** and **encounter** all mean to meet or have to deal with someone or something, e.g. **encounter a problem**. To **crouch** means to bend your knees and lower your body close to the ground.

10. Find the word which is out of the logic list:
✔ **B) security**
Hazard, **danger** and **peril** all mean a risk of harm. **Security** means being safe and protected, which is the opposite idea.

11. Find the word which is out of the logic list:
✔ **A) alert**
Heedless, **imprudent** and **reckless** all describe someone who acts without thinking about danger or results. **Alert** means watchful and ready to notice danger, so it is the opposite.

12. Find the word which is out of the logic list:
✔ **B) cuddle**
Stick, **attach** and **adhere** all mean to join or fix one thing firmly to another. To **cuddle** means to hold someone closely in your arms to show love.

13. Find the word which is out of the logic list:
✔ **A) silent**
Clamor (British **clamour**), **racket** and **noise** are nouns for loud, unpleasant sound. **Silent** means making no sound, so it is the opposite idea (and it is also an adjective, not a noun).

14. Find the word which is out of the logic list:
✔ **A) decisive**
Intelligent, **clever** and **bright** all mean quick to learn and understand. **Decisive** means able to make decisions quickly and firmly, which is about character, not intelligence.

15. Find the word which is out of the logic list:
✔ **A) adoration**
A **report**, an **explanation** and a **description** are all ways of telling or writing about something. **Adoration** means deep love or respect, so it does not belong.

16. Find the word which is out of the logic list:
✔ **B) wide**
Little, **tiny** and **minute** (pronounced /maɪ'nju:t/) all mean very small. **Wide** means large from side to side, so it is the opposite idea.

17. Find the word which is out of the logic list:
✔ **A) sluggish**
Watchful, **attentive** and **vigilant** all mean paying careful attention and watching closely. **Sluggish** means slow and lacking energy, so it does not fit.

18. Find the word which is out of the logic list:
✔ **B) fickle**
Indebted, **thankful** and **grateful** all mean feeling thanks towards someone for their help. **Fickle** means often changing your mind or feelings, e.g. **a fickle friend**.

19. Find the word which is out of the logic list:
✔ **B) battle**
A **parade**, a **demonstration** and a **meeting** are all peaceful events where people come together. A **battle** is a fight between armies, so it does not belong.

20. Find the word which is out of the logic list:
✔ **B) cradle**
A **tomb**, a **grave** and a **cemetery** are all connected with burying dead people. A **cradle** is a small bed for a baby, so it is connected with the start of life, not death.
