Explanations

1. Find the word which is out of the logic list:
✓ **C) genuine**
Imitation, **fake** and **counterfeit** all describe something that is not real but made to look real. **Genuine** means real or authentic, so it is the odd one out.

2. Find the word which is out of the logic list:
✓ **B) jug**
Screw, **pliers** and **hammer** are all things used in a toolbox for building or repairing. A **jug** is a container for pouring liquids, such as water or milk, so it does not belong.

3. Find the word which is out of the logic list:
✓ **C) effort**
Success, **feat** (an impressive achievement) and **victory** are all results: something has been achieved. An **effort** is only an attempt or the energy you use to try, so it does not necessarily end in success.

4. Find the word which is out of the logic list:
✓ **A) laborer**
An **executive**, an **administrator** and a **manager** all organise, direct or run things in a company or office. A **laborer** (British spelling **labourer**) does hard physical work, often on a building site, so this word does not fit.

5. Find the word which is out of the logic list:
✓ **C) reluctant**
Enthusiastic, **eager** and **zealous** all mean very keen and wanting to do something. **Reluctant** means the opposite: not wanting to do something. **She was reluctant to leave.**

6. Find the word which is out of the logic list:
✓ **D) complaint**
A **boycott**, a **ban** and an **embargo** all stop people from buying, selling, using or doing something. A **complaint** is only a statement that you are unhappy about something; it does not stop anything.

7. Find the word which is out of the logic list:
✓ **C) clap**
You **shout**, **cheer** and **chant** with your voice. You **clap** with your hands, so it is the odd one out.

8. Find the word which is out of the logic list:
✓ **A) indifferent**
Solemn, **serious** and **grave** all describe a serious, not cheerful, manner or situation. **Indifferent** means not interested or not caring about something, so it belongs to a different group of meaning.

9. Find the word which is out of the logic list:
✓ **D) weary**
Touchy, **irritable** and **nervous** all describe someone who is tense and easily upset or annoyed. **Weary** means very tired, so it does not fit. Not **nervous**: it also describes a tense, uneasy state of mind.

10. Find the word which is out of the logic list:
✓ **A) obscurity**
An **interval**, a **gap** and a **space** are all an empty area or period between two things. **Obscurity** means the state of being unknown or unclear, so it is the odd one out.

11. Find the word which is out of the logic list:
✓ **A) in spite of**
Owing to, **because of** and **caused by** all introduce a reason or cause. **In spite of** introduces a contrast: **We went out in spite of the rain.**

12. Find the word which is out of the logic list:
✓ **C) interrogate**
To **follow**, **track** and **pursue** all mean to go after someone or something, for example to catch them. To **interrogate** means to ask someone a lot of questions, often in a formal or aggressive way, so it does not belong.

13. Find the word which is out of the logic list:
✓ **B) fail**
To **perform**, **achieve** and **accomplish** all mean to do or complete something successfully. To **fail** means not to succeed, so it is the opposite.

14. Find the word which is out of the logic list:
✓ **C) pond**
Hail, **sleet** and **drizzle** are all types of weather that fall from the sky (ice, snow mixed with rain, light rain). A **pond** is a small area of still water on the ground.

15. Find the word which is out of the logic list:
✓ **B) conclude**
To **question**, **inquire** and **interrogate** all mean to ask in order to get information. To **conclude** means to finish something or to decide something after thinking about it, so it does not fit.

16. Find the word which is out of the logic list:
✓ **A) innocent**
A **lawbreaker**, a **criminal** and a **culprit** are all people who have done something wrong or illegal. **Innocent** describes someone who has done nothing wrong, so it is the odd one out.

17. Find the word which is out of the logic list:
✔ **A) acquittal**
An **accusation**, an **allegation** and a **charge** all say that someone has done something wrong or illegal. An **acquittal** is a decision by a court that someone is not guilty, so it is the opposite.

18. Find the word which is out of the logic list:
✔ **B) injured**
Tired, **run down** and **exhausted** all describe a lack of energy. **Injured** means physically hurt, for example in an accident, so it does not belong.

19. Find the word which is out of the logic list:
✔ **B) moderate**
Austere, **severe** and **harsh** all mean very strict, hard or unpleasant. **Moderate** means not extreme, reasonable or average, so it is the odd one out.

20. Find the word which is out of the logic list:
✔ **C) tap**
A **teapot**, a **cup** and a **kettle** are all used to make or drink tea or other hot drinks. A **tap** is the device that water comes out of in a sink, so it does not fit.
