Explanations

1. **Choose the right definition for the given word.**
friendly
✓ **C) acting or behaving nicely**
Friendly means kind and nice to other people. **The friendly alien helped Lee.**

2. grade
✓ **A) a score or mark on someone's work**
A **grade** is the score or mark a teacher gives for your work. **I got a good grade on my test.**

3. view
✓ **D) to look at something**
To **view** something means to look at it. **We flew through space to view the universe.**

4. ever
✓ **B) at any time**
Ever means at any time. **It was the best project ever.** "Quickly and unexpectedly" is the meaning of **suddenly**.

5. library
✓ **C) a place where books are**
A **library** is a place with many books that you can read or borrow.

6. report
✓ **D) a paper**
A **report** is a paper that gives information about a topic, often for school. **Jack wrote the report.**

7. alien
✓ **B) a creature from a different world**
An **alien** is a creature from another world or planet.

8. chart
✓ **D) a list**
A **chart** is a list of information, often in a table or picture. **This chart shows the TV shows.**

9. among
✓ **A) in the middle of something**
Among means in the middle of a group of things. **Lee sat among the books.**

10. solve

To **solve** means to find the answer to a problem. **I solved the math problem.**

11. **Choose the right word for the given definition.**
everything that exists in space
✓ **A) universe**
The **universe** is everything in space: stars, planets and more.

12. not an exact amount but less than many
✓ **C) several**
Several means more than two, but not many. **Several days ago, I lost my bag.**

13. a creature from a different world
✓ **B) alien**
An **alien** is a creature from a different world.

14. in place of
✓ **D) instead**
Instead means in place of something else. **I want to see a planet instead of reading about it.**

15. to guess
✓ **B) suppose**

16. **Choose the word that is a better fit for each sentence.**
What would be the most awesome gift you've _____ received?

_____ your home to me.
✓ **B) ever / describe**
We say **the best gift you've ever received** (ever = at any time). **Describe** means to tell what something is like: **Describe your home to me.**

17. This _____ tells what time the TV shows will play.

I saw a movie about _____ from another planet.
✓ **B) chart / alien(s)**
A **chart** is a list of information, like TV show times. **Aliens** are creatures from another planet.

18. I think the most interesting _____ is Saturn.

I wonder how the _____ began.
✓ **A) planet / universe**
Saturn is a **planet**. The **universe** is everything in space, so we wonder how the universe began.

19. Do you like to _____ hard math problems?

If I do not know the answers, I will _____ the test.
✓ **A) solve / fail**
We **solve** problems (find the answer). If you don't know the answers, you **fail** the test.

20. _____ days ago, I lost my backpack.

The girls in my class like to _____ pictures of pop stars.
✓ A) several / view
Several days ago means a few days ago. To **view** pictures means to look at them.

21. What is this story about?
✓ B) A boy's trip into the universe
Most of the story is about Lee's trip into space with the alien: they view the universe, pass the moon and see Mars. Not "An alien living in a library": Lee is in the library, and the alien comes in a ship.

22. What is Lee unable to comprehend?
✓ D) How to read the information in a chart
The story says Lee **couldn't comprehend any of the charts**. So he could not understand the information in them. Not "how to make a model": that was hard, but the word **comprehend** is about the charts.

23. What can you suppose is true of the group's report?

✓ D) It is about the stars and planets.
Claire drew a map of the stars and Lee had to make a model of a planet, so the report is probably **about the stars and planets**. The project is not due in several days: they had to turn it in **soon**.

24. What did the alien want to do to help Lee?
✓ C) Make the model of a planet
The alien says, **I can help you make a model of my planet**, and on the way back he helps Lee make a model of Mars.
