(Please note: The following questions are related to a specific reading passage, available solely before the first question. Remember, referring back to the reading text while answering the questions may be helpful to ensure accuracy.)

Kerim has recently visited London and Paris. He has answered a questionnaire given by his friends.

1. What did you think of London and Paris?

London and Paris are both amazing cities, but they are different.

2. How did you find the buildings in both cities?

I found the buildings in the centre of Paris to be more beautiful than the buildings in London. In London, they are too modern.

3. What did you think of the parks of the two cities?

London has nicer parks than Paris with more trees and better scenery.

4. How was the traffic in both cities?

In Paris, the traffic was very congested, which means it was very crowded. It was also very noisy. In London, there was less traffic and the drivers were quieter.

5. What is the weather like in the two cities?

The weather in London is the worst! When I was there, it rained every day and it was very cold. In Paris, the sun was shining most days and the weather was warm.

6. What was the food like in the two cities?

The food was okay in London, but I liked the food in Paris more. There is more variety, and it was tastier than the food in London.

16. Kerim told his friends that Paris had _____ than London.

A) more modern buildings
B) better parks and scenery
C) less variety in the food
D) more cars on the road

17. Kerim found the weather in London to be _____.

A) beautiful, hot and dry
B) terrible, freezing and wet
C) good, warm and windy
D) awful, too hot and humid

18. Which of the following is true?

Paris _____ than London.

A) is more amazing
B) has far more trees
C) has nicer architecture
D) has less traffic congestion
