"MAJOR MARTIN" GOES TO WAR

After Commander Montagu and his colleagues had been given official approval for their dangerous escapade, they encountered **manifold** problems. First, they conducted an **assiduous** search for a body that looked as though it had recently been killed in an airplane disaster. Then, a detailed history of the man had to be invented that would be so **impeccable** that the enemy would accept its authenticity. This meant documents, love letters, personal effects, keys, photographs, etc. Each step was **fraught** with difficulty, but the schemers were unbelievably **resourceful**. As a result, in the late spring of 1943, "Major Martin" was prepared to do his part for his country.
