1.

EASY TO TRAIN

The chimpanzees are **deemed** by scientists to be the closest to man of all the living apes; consequently, they are fairly easy to train. Several years ago, two married researchers embarked on an interesting project: they reared and trained a chimp in almost the same manner as they would have raised a child. The animal did beautifully, convincing the couple of the **inherent** ability of the chimpanzee. Cinema **buffs** who have seen Tarzan's clever monkey **romp** through the jungle also recognize the **latent** intelligence of those animals.
