1.

FEMALE ALCOHOLICS

When we **juxtapose** the words "woman" and "alcoholic" many readers are surprised. However, the **plight** of America's several million female alcoholics is rapidly increasing in intensity. But the statistics are inexact because it is estimated that there are nine **covert** alcoholics for every one under treatment. Women drink to help themselves to **cope** with life's vicissitudes. They drink because of financial pressures, **incompatibility**, frustration, and related reasons.
