1.

GESUNDHEIT!

During the Middle Ages most people believed that the devil could enter our bodies when we sneezed, because at that propitious moment we left our bodies **vulnerable**. However, this catastrophic event could be avoided if another person immediately made an **entreaty** to God. This was how the practice began of saying "God bless you" after someone sneezes. Although the **tradition** continues today, few people are aware of its history. A superstition **originates** in ignorance—when people are unsure of the causes of events. But it continues **inviolable** over the years because it usually represents our deepest fears.
