Name: _____ Date: _____ Score: _____ / 10

1.

FAIR PLAY!

Recently, there has been an attempt to improve Captain Bligh's tainted image. Historians maintain that there was no **turpitude** in Bligh's actions aboard the H.M.S. *Bounty*. Perhaps he was imprudent in failing to keep his temper under control. While an **infraction** aboard ship was quickly criticized, Bligh never carried out those **callous** actions the movie dramatized in order to depict an evil man, say his defenders. After the mutiny, Captain Bligh astutely navigated the lifeboat with the other 17 men for over 3,000 miles to safety. This prodigious feat alone, say those who would restore Bligh's good name, should be enough to allow for a full **redress** of the wrongs that have been blamed on him for over 150 years. While the coterie defending Captain Bligh do not ask the public to praise him, they do request a more benevolent attitude toward this traditionally reprehensible figure, and an end to the **vituperation** heaped upon him for these many years.

Sample Sentences: Use the new words in these sentences.
