Hello! I am Dilay. I am going shopping this weekend with my best friend Bihter. I want to buy a new tablet because I have broken my old one. Bihter wants to buy a new mobile phone because her phone is too old. I don't want to spend too much money on the tablet; I have set myself a limit of $500, so I will have enough money left to buy some new clothes. I am planning on buying a dress and some T-shirts. Bihter wants to buy some new shoes and a new coat.

I really love the shopping centre where we are going, because it has all my favourite shops. My favourite fish restaurant 'Fish Surprise' is there too. Bihter and I will eat lunch there. When we finish shopping, we will go to the amusement arcade because we both love playing

video games.

In the evening, I am going with my family to my grandparents' house to celebrate their wedding anniversary. They have been married for 60 years! My mum has made a special chocolate cake for them. She has put 60 gold candles on it.
