Explanations

1. _____ is _____ watch and _____ is _____.
✔ **C) this / my / that / yours**
Use **this** for something near and **that** for something far. Before a noun we use **my** (**my watch**). Without a noun we use **yours** (**that is yours**).

2. As _____ is clear to _____, I'm not going to say _____ else.
✔ **C) everything / everybody / anything**
Everything means all things, and **everybody** means all people. After **not** we use **anything**: **I'm not going to say anything else**.

3. Is there _____ in the room? Please open the door!
✔ **E) anybody**
In questions we use **anybody** for people. Only a person can open the door, so the answer is **anybody**, not **anything**.

4. This is _____ watch and that is _____.
✔ **B) my / yours**
Before a noun we use **my** (**my watch**). Without a noun we use **yours** (**that is yours**). Not **mine / your**, because **mine** can't come before a noun.

5. It's very quiet in the office today. There's _____ here. _____ is on holiday.
✔ **E) nobody / everybody**
The office is quiet, so **there's nobody here**. Everyone is away: **everybody is on holiday**. **Everybody** takes a singular verb (**is**).

6. I'll be very glad if you invite _____ else to join us.
✔ **A) somebody**
Somebody else means another person. You invite people, not things, so **something** is wrong.

7. Don't worry. I'll do _____ best to help _____.
✔ **A) my / you**
The subject is **I**, so we say **I'll do my best**. **Help you** means help the person I'm talking to.

8. _____ friend is going to make a report today. _____ say _____ will be very interesting.
✔ **C) his / they / it**
They say means people say. The verb **say** (without -s) fits **they**, not **he**, **she** or **it**. **It** means the report: **it will be very interesting**.

9. Can I use _____ pen today? I've left _____ at home.
✔ **B) your / mine**
Before a noun we use **your** (**your pen**). Without a noun we use **mine** (= my pen): **I've left mine at home**.

10. Here is _____ textbook. Where is _____?
✔ **D) my / yours**
Before a noun we use **my** (**my textbook**). Without a noun we use **yours** (= your textbook): **Where is yours?**
