1	**B**	2	**C**	3	**D**	4	**E**	5	**A**

Explanations

1. **Tuncay Şanlı**
✓ B) scored three goals.
Paragraph 1 says Tuncay Şanlı scored a **hat trick**, which means **three goals** in one match. Paragraph 4 confirms this: he scored in the 10th, 32nd and 34th minutes. Not **has so far scored 29 goals**, because he scored those 29 goals last season, not in total.

2. **"*To convert a penalty*" *means:***
✓ C) to score a goal when a penalty has been awarded.
To **convert a penalty** means to score from a penalty kick. In paragraph 3, Alexandris **converted a penalty** after a foul, and this made the score 1-1. Not **to level the score**: the goal did level the score here, but that is not what the phrase means.

3. **Van Hooijdonk**
✓ D) could and should have scored more goals.
Paragraph 4 says Van Hooijdonk scored only after **missing numerous scoring chances**, so he **could and should have scored more goals**. Not **was dribbled past by two Olympiakos defenders**: it was the other way round, because he **dribbled past** two defenders and the goalkeeper.

4. ***Anatolakis***
✓ E) didn't do any good to his team by getting sent off.
Paragraph 5 says Anatolakis was **sent off** for arguing with the linesman and the referee, and he will probably miss three matches. This leaves his team with fewer players and without him, so it **didn't do his team any good**. Not **will play for Olympiakos for two more years**: he signed a two-year contract last year, so only about one year is left.

5. ***Fenerbahçe***
✓ A) won the Football League title last year.
Paragraph 2 says Şanlı scored 29 goals **as his team won the Football League title last year**, so Fenerbahçe won the league. Not **will play this weekend in Istanbul**: the last paragraph says they **play away** at Trabzonspor's stadium. Not **is one of the most fanatically supported teams**: that describes Trabzonspor.
