Explanations

1. Find the word which is out of the logic list:
✓ **A) scour**
Voyage, **trip** and **journey** all mean travelling from one place to another. **Scour** means to search a place very carefully or to clean something by rubbing it hard, so it does not belong.

2. Find the word which is out of the logic list:
✓ **D) swap**
Resign, **step down** and **quit** all mean to leave your job or position. **Swap** means to exchange one thing for another, so it is the odd one out.

3. Find the word which is out of the logic list:
✓ **A) scatter**
Squash, **crush** and **squeeze** all mean to press something hard. **Scatter** means to throw things so they spread over a wide area, so it does not fit.

4. Find the word which is out of the logic list:
✓ **A) thick**
Enormous, **immense** and **huge** all mean very big. **Thick** describes how wide something is from one side to the other (**a thick book**), not general size, so it is the odd one out.

5. Find the word which is out of the logic list:
✓ **A) drought**
Harvest, **mow** and **crop** are all about growing and cutting plants or grass. A **drought** is a long period with no rain, so it does not belong.

6. Find the word which is out of the logic list:
✓ **A) rescue**
Slaughter, **kill** and **murder** all mean to end a life. **Rescue** means to save someone from danger, so it is the odd one out.

7. Find the word which is out of the logic list:
✓ **B) reiterate**
Suggest, **advise** and **recommend** all mean to tell someone what you think they should do. **Reiterate** means to say something again, so it does not belong.

8. Find the word which is out of the logic list:
✓ **A) soup**
Chop, **mince** and **steak** are all kinds of meat (**a lamb chop**, **beef mince**). **Soup** is a liquid dish, so it is the odd one out.

9. Find the word which is out of the logic list:
✓ **A) hold over**
Slate, **run down** and **slag off** all mean to criticise someone or something strongly (informal British English). **Hold over** means to postpone something until later, so it does not fit.

10. Find the word which is out of the logic list:
✓ **B) prediction**
Choice, **decision** and **preference** are all about choosing between things. A **prediction** is a statement about what will happen in the future, so it is the odd one out.

11. Find the word which is out of the logic list:
✓ **C) bashful**
Nude, **bare** and **unclothed** all mean not wearing clothes. **Bashful** means shy, so it does not belong.

12. Find the word which is out of the logic list:
✓ **B) clumsy**
Proficient, **skilful** and **expert** all mean very good at doing something. **Clumsy** means moving awkwardly and often dropping or breaking things, so it is the opposite.

13. Find the word which is out of the logic list:
✓ **A) shortage**
Riches, **wealth** and **affluence** all mean having a lot of money. A **shortage** is a situation where there is not enough of something, so it is the odd one out.

14. Find the word which is out of the logic list:
✓ **C) settlement**
Battle, **fight** and **combat** all mean fighting. A **settlement** is an agreement that ends an argument (or a place where people live), so it does not belong.

15. Find the word which is out of the logic list:
✓ **A) wealthy**
Penniless, **broke** and **needy** all mean having very little or no money. **Wealthy** means rich, so it is the opposite.

16. Find the word which is out of the logic list:
✓ **A) conclude**
Question, **ask** and **inquire** all mean to try to get information from someone. **Conclude** means to finish something or to decide something after thinking, so it is the odd one out.

17. Find the word which is out of the logic list:
✓ **B) partly**
Entirely, **completely** and **quite** (as in **quite right**) all mean totally. **Partly** means only to some degree, so it does not belong.

18. Find the word which is out of the logic list:
✓ **C) disappoint**
Expect, **await** and **wait for** are all about thinking that something will happen or staying until it comes. **Disappoint** means to make someone unhappy because something was not as good as they hoped.

19. Find the word which is out of the logic list:
✓ **D) smooth**
Crease, **wrinkle** and **crumple** all mean to make lines or folds in cloth or paper. **Smooth** means flat with no lines, so it is the opposite.

20. Find the word which is out of the logic list:
✓ **A) entire**
Accurate, **true** and **exact** all mean correct in every detail. **Entire** means whole or complete (**the entire day**), so it is the odd one out.
