Explanations

1. Find the word which is out of the logic list:
✔ **B) ease**
Difficulty, **impediment** and **obstacle** all mean something that makes a task hard or blocks your way. **Ease** means the opposite: no difficulty, as in **She passed the test with ease**.

2. Find the word which is out of the logic list:
✔ **C) strike**
Rob, **smuggle** and **hijack** are all crimes: taking money or goods, moving goods illegally, and taking control of a vehicle by force. **Strike** usually means to hit, or to stop working as a protest, so it is not in this group of crimes.

3. Find the word which is out of the logic list:
✔ **B) security**
Hazard, **danger** and **jeopardy** all mean a risk of harm. **Security** means being safe and protected, which is the opposite.

4. Find the word which is out of the logic list:
✔ **B) obscure**
Apparent, **obvious** and **clear** all mean easy to see or understand. **Obscure** means the opposite: hard to see or understand, or not well known.

5. Find the word which is out of the logic list:
✔ **D) initiate**
Terminate, **end** and **stop** all mean to finish something. **Initiate** means the opposite: to start something, as in **initiate a project**.

6. Find the word which is out of the logic list:
✔ **C) vital**
Unimportant, **trivial** and **insignificant** all mean not important. **Vital** means the opposite: extremely important or necessary, as in **Water is vital for life**.

7. Find the word which is out of the logic list:
✔ **D) whim**
Pinch (informal), **swindle** and **steal** all mean to take something dishonestly. A **whim** is a sudden wish or idea, as in **She bought it on a whim**.

8. Find the word which is out of the logic list:
✔ **D) kneel**
Skip, **bounce** and **bound** all describe jumping or springing movements. To **kneel** means to go down and rest on your knees, so it does not fit.

9. Find the word which is out of the logic list:
✔ **C) scatter**
Compress, **squeeze** and **crush** all mean to press something together with force. **Scatter** means the opposite: to throw or spread things over a wide area.

10. Find the word which is out of the logic list:
✔ **D) confidence**
Interest, **profit** and **advantage** can all mean a gain or benefit you get from something. **Confidence** means a feeling of trust or belief in yourself, so it is the odd one out.

11. Find the word which is out of the logic list:
✔ **C) flavor**
Perfume, **fragrance** and **odor** (British **odour**) are all smells. **Flavor** (British **flavour**) is a taste, the thing you notice with your mouth, not your nose.

12. Find the word which is out of the logic list:
✔ **A) slap**
Wave, **point** and **wink** are gestures people use to communicate without words. To **slap** is to hit someone with an open hand, so it is not a signal.

13. Find the word which is out of the logic list:
✔ **C) reality show**
A **book**, a **leaflet** and a **journal** are all printed texts that you read. A **reality show** is a TV programme, so it does not belong.

14. Find the word which is out of the logic list:
✔ **A) solely**
Pack, **heap** and **flock** are all nouns for a group or pile, as in **a pack of wolves**, **a heap of clothes** and **a flock of sheep**. **Solely** is an adverb meaning only.

15. Find the word which is out of the logic list:
✔ **C) regularly**
Simply, **only** and **merely** all mean just or no more than, as in **It was merely a joke**. **Regularly** means often or at fixed times, so it is the odd one out.

16. Find the word which is out of the logic list:
✔ **B) spy**
A **thief**, a **robber** and a **burglar** all steal things. A **spy** secretly collects information, not property, so the word does not fit.

17. Find the word which is out of the logic list:
✔ **B) join**
Leave, **quit** and **abandon** all mean to go away from or stop being part of something. **Join** means the opposite: to become a member or part of something.

18. Find the word which is out of the logic list:
✔ **C) reveal**
Kick off, **begin** and **commence** all mean to start. **Reveal** means to show something or make it known, as in **reveal a secret**.

19. Find the word which is out of the logic list:
✓ **B) seed**
Skin, **rind** and **shell** are all outer coverings, for example the rind of a lemon or the shell of an egg. A **seed** is inside a fruit or plant, so it is not a covering.

20. Find the word which is out of the logic list:
✓ **B) secondary**
Principal, **chief** and **main** all mean the most important. **Secondary** means less important, or coming second, so it is the odd one out.
