Explanations

1. Find the word which is out of the logic list:
✓ **A) halt**
Hold, **maintain** and **retain** all mean to keep something or make it continue: **She retained her title. Halt** means to stop: **The train halted.** Not **maintain**, because it also means 'keep' (**maintain good relations**).

2. Find the word which is out of the logic list:
✓ **A) task**
Duration, **interval** and **term** are words for a length or period of time. A **task** is a piece of work you have to do, so it does not fit.

3. Find the word which is out of the logic list:
✓ **B) extensive**
Brief, **short** and **summary** (adjective: quick, without details) all describe something short. **Extensive** means large or covering a lot: **extensive research**. It is the opposite idea.

4. Find the word which is out of the logic list:
✓ **C) recipe**
Vote, **coalition** and **party** are all words about politics and elections. A **recipe** tells you how to cook a dish, so it has nothing to do with politics.

5. Find the word which is out of the logic list:
✓ **D) bigoted**
Fair, **unbiased** and **impartial** mean treating everyone equally. **Bigoted** means having strong, unfair opinions against other groups of people. It is the opposite.

6. Find the word which is out of the logic list:
✓ **A) impress**
Astonish, **stun** and **astound** all mean to surprise someone very much. **Impress** means to make someone admire you: **Her speech impressed everyone.** It is not about surprise.

7. Find the word which is out of the logic list:
✓ **C) conclude**
Inquire, **question** and **ask** are all ways of asking for information. **Conclude** means to finish something or to decide something after thinking: **We concluded that he was right.**

8. Find the word which is out of the logic list:
✓ **A) entire**
Exact, **right** and **accurate** all mean correct, without mistakes. **Entire** means whole or complete: **the entire day**.

9. Find the word which is out of the logic list:
✓ **A) outset**
Phase, **step** and **period** are stages or parts of a process. **Outset** means only the very beginning: **at the outset of the project**.

10. Find the word which is out of the logic list:
✓ **D) arrogant**
Open, **candid** and **sincere** describe honest people who say what they really think. **Arrogant** means thinking you are better than other people.

11. Find the word which is out of the logic list:
✓ **C) rapidly**
Plainly, **evidently** and **obviously** mean 'clearly, in a way that is easy to see'. **Rapidly** means quickly, so it is about speed, not clarity.

12. Find the word which is out of the logic list:
✓ **D) pigeon**
Shrimp, **lobster** and **mussel** are seafood that lives in water. A **pigeon** is a bird.

13. Find the word which is out of the logic list:
✓ **B) minty**
Snowy, **sunny** and **cloudy** describe the weather. **Minty** describes a taste or smell of mint.

14. Find the word which is out of the logic list:
✓ **B) shabby**
Beautiful, **dainty** and **exquisite** describe things that are pretty or fine. **Shabby** means old and in bad condition: **a shabby coat**.

15. Find the word which is out of the logic list:
✓ **A) ownership**
Place, **position** and **locality** are words for where something is. **Ownership** means having something as your property.

16. Find the word which is out of the logic list:
✓ **C) delayed**
Speedy, **rapid** and **hasty** all mean fast. **Delayed** means late or slower than planned.

17. Find the word which is out of the logic list:
✓ **C) bewilder**
Forbid, **prohibit** and **hinder** are about stopping someone from doing something. **Bewilder** means to confuse someone completely.

18. Find the word which is out of the logic list:
✓ **A) neat**
Untidy, **disorderly** and **sloppy** mean messy, not organised. **Neat** means tidy and in order, so it is the opposite.

19. Find the word which is out of the logic list:
✓ **C) gloomy**
Content, **satisfied** and **pleased** mean happy with something. **Gloomy** means sad or without hope.

20. Find the word which is out of the logic list:
✓ **C) opponent**
Chum, **ally** and **friend** are people who are on your side. An **opponent** is someone you compete or fight against.
